

**Inshore Lifeboat, at 8.12pm on 12 January 2021**

**Swanage's D Class inshore lifeboat (ILB) was tasked this evening to assist Dorset Police and the volunteers from Swanage Coastguard with a search for a missing person thought to be in the area of the main beach, Swanage.**

**The ILB launched and was given its search instructions. However, no sooner had the search instructions been passed the missing person was located by police.**

**With the situation resolved the ILB was released to return to station to be washed down, sanitised and made ready for the next service.**

**This year, Swanage's lifeboats have yet to respond to any incident together.**

**The Shannon class all-weather lifeboat has launched to one incident.**

**The D class inshore lifeboat has also launched on one other services.**

**This gives a total of 2 incident responded to, so far, this year**
